Dear Mr. Dalseg:

In the course of their processing of your Privacy Act request for information on yourself, the Federal Bureau of Investigation (FBI) located one document that originated with this agency. This document was referred to us for our review and direct response to you.

We have reviewed the document, a letter dated 16 April 1984, and have determined that it is properly classified and exempt from release under Privacy Act exemptions (j)(1) and (k)(1). An explanation of these exemptions is enclosed.

You have the right to appeal this determination by addressing your appeal to me and I will forward it to the appropriate senior officials of this agency. Should you choose to do this, please explain the basis of your appeal.

Sincerely,

John H. Wright
